

NINE FRESHMEN ON ONE BIZARRE SEASON

1 "I wanted to try something new after we were all alone. I expected a steadfast schedule, but it was really unpredictable. Sometimes we did practice, sometimes we didn't practice at all that week."

LILA LOCKETZ
LACROSSE

2 "It was hard to keep training when I didn't know when I was going to race. It felt pointless to keep going. But now we are running really fast, and I've grown really close with the team because of it."

JOEL TA JIRI
CROSS COUNTRY

3 "I play golf and softball and both of them were delayed because of COVID. We have to wear masks the whole time when we play golf. I was a little nervous going into this season not knowing anyone."

ABIGAIL STEELE
GOLF & SOFTBALL

Instead of committing to sports this year, I started a part-time job at Starbucks!
EMILYN KONG

4 "Dance is different because we can't perform as a whole team. It's a little disappointing, but I'm happy we still got to practice a little bit. We're doing the most we can this year; it's just less to do."

BROOKE-LYNN GIVENS
DANCE

5 "I have enjoyed playing sports as a freshman during COVID-19 because I got to meet new people and represent my school. It has been different than expected but overall has been a great experience."

EVAN PIMENTEL
SOCCER & TENNIS

6 "Playing in games and going to meets is so exciting. At first, it was kind of hard to wear masks while playing, and sometimes it's a little difficult to breathe, but now it's okay as I'm more used to it."

GLENYS OBLEA
SWIM

7 "We were split into pods and we had to space out. In the summer and fall, we weren't allowed to throw and touch the same baseball. So we made a decision to be able to do that but wear a mask."

CAMERON DUNCAN
BASEBALL

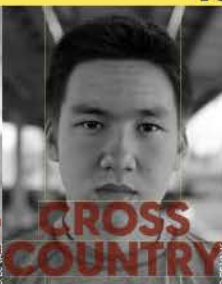

8 "I was looking forward to a high school season, but so far we've only been conditioning. We've been doing a lot of team bonding, which really builds the relationships among the team."

LAUREN HUNTER
BASKETBALL

9 "I have not been able to fully experience a team that I hoped to get. Many of my tennis matches that were supposed to take place were canceled. But tennis has still helped me make new friends on campus."
